

Altronics Limited, Corner Brook's oldest locally owned **Bell** mobility dealer, has just appointed me, Jennifer Wight as their Business Sales Account Consultant. As such, I am now available to you as your personal mobility contact to handle all of your SMB,(Small, Medium Business) mobility needs including phone and smartphone purchases, Blackberry, mobile internet turbo sticks, account optimizations and feature maintenance.

I have been involved with wireless sales and service for over eight years and know what problems you as a customer can have when it goes to maintain your mobility accounts. That's where I can help you on a daily basis. I will work with you, the client, access your needs, review your existing plans and accounts, and with optimizing your accounts making them as efficient and cost effective as possible tailoring a communications plan for you and your business.

I am available to come to you at a convenient time, or meet you at our location where we can discuss your needs and I can help explain all you need to know to keep you and your business connected.

I can be contacted at 634-6351 or jwight@altronicsltd.com and look forward to working with you for all If you mobility and wireless needs.

Sincerely

Jennifer Wight
