

Cherished Memories Scrapbook and Coffee House

We are your “go to” gals for all your paper crafting needs.

We carry a wide assortment of patterned paper, Bazzil cardstock in various colors, stamps, ink, adhesives, tools and more. We also have a selection of pre-made scrapbooks. Just add your own pictures and you’re done! And while you’re doing, why not enjoy one of our Fair Trade Organic coffees, a tantalizing “Lisa Special”, a beautifully whipped Cappuccino, a Cafe Latte or an Espresso. Not a coffee drinker? How about a flavoured Steamer or a nice cup of Tetley tea? We also serve baked goods from different local bakeries here in town.

They vary from week to week.

We are a proud supporter of small local business.

Not sure where to start? No problem. Our friendly knowledgeable staff would be more than happy to assist you.

Take the time to use our Cricut Die Cut machine and create a one-of-a-kind original for all the loved ones on your list.
